

The image is a vertical split. The left half shows a rugged coastline with a steep, forested hillside on the left, a rocky shore with waves crashing against the rocks, and a clear blue sky. The right half shows a city skyline at night, with several buildings illuminated with warm yellow lights. A prominent tall building on the right has a red light on top. The city lights are reflected in a body of water in the foreground, which also contains the masts of several sailboats.

The Water Principle:

When I refresh others,
I am refreshed.

**1. Seek out interactions with
the disconnected.**

**2. Ask, listen, and offer
words of hope and challenge.**

**3. Take my blessings and use
them to bless others.**
